**Ganging Units**

A bookcase may be "ganged" to each side of an entertainment cabinet.

**Note:** All floor units and base units MUST be leveled.

**2**

Fasten units together using the #8 x 1 1/4" screws provided. Use a minimum of four (4) screws at the widest spacing possible to achieve the strongest and most stable assembly.

**Recommended:** Pre-drill pilot hole and countersink through bookcase prior to installing.

Proper product installation, in accordance with these instructions, is the responsibility of the installing agent. If you have any questions concerning these instructions, please call National Customer Service.
