

**ESCALADE SERIES  
Pedestal Drawer  
Removal**

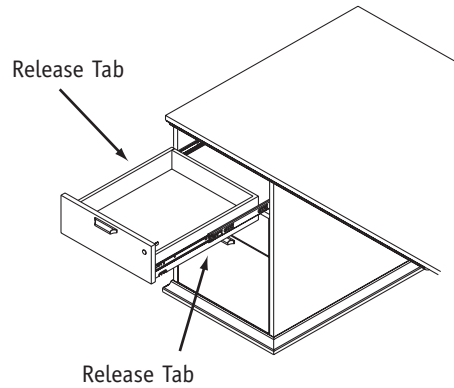

**Recommended Tools**

- (none)

**1**

Extend the box or file drawer to it's full extension. Locate the drawer slide release tab, in the approximate location shown, on each side of the drawer box. Press tabs in and pull drawer straight out until the slide drawer members disengage from cabinet members (Figure A).

**Figure A**

**2**

To reinstall drawer, extend slide cabinet members. Make sure ball bearing member is also forward. Carefully align slide drawer members with cabinet members and gently push drawer closed. Check for proper alignment by looking at drawer front margins for spacing and squareness.
