Ultra Surfaces

Ultraleather™, Brisa®, Brisa Distressed, Promessa and Ostrich. Add them all up and you've only touched the surface of the Ultrafabrics array of Ultra Surfaces, which offers a complete line of beautiful, soft, and luxurious surfaces for all your interior spaces. Technology and innovation combine to give you a variety of colors, grains and textures – each offering the superior comfort you desire with the unmatched performance and durability that all your projects require.

With Ultra Surfaces on your office seating, getting your employees to stay late won't be the problem; it's getting them to go home.

ULTRA SURFACES. ULTRA RELEVANT.

Ultra Surface Benefits

SOFT

The soft and supple hand is a joy to touch, adding an always welcome bit of luxury to your day.

DURABLE

Designed for superior longevity, these Ultra Surfaces are engineered with special strengthening components to exceed heavy-duty industry endurance standards.

CLIMATE CONTROL

Exceptionally resistant to the effects of temperature changes. Stays cooler and more pleasant to touch in warm environments and resist stiffening and cracking in the cold.

WATER RESISTANT

Formulated to shrug off water and prevent most stains from ever setting in.

KID & PET FRIENDLY

Remarkable durability plus stain resistance means you can invite the kids and pets to play. Luxurious softness means they're sure to take you up on it.

EARTH FRIENDLY

100% VOC free, easy to clean without harsh toxic cleaners and manufactured with a process that captures and recycles 99% of all solvents used in production.

EASY TO CLEAN

With our stain resistant technology, most spills and stains clean easily with a mild detergent and water.

ANTI MICROBIAL

Formulated with a naturally bonded anti-microbial component that is laboratory proven to reduce microbial growth by over 99%.

BREATHABLE

A unique ventilation system within an aero-foam cushion allows breathability.

* Applies only to Promessa.

* Applies only to Brisa and Brisa Distressed.

Ballpoint Pen Removal Instructions

Wipe the stain off with ethanol (rubbing alcohol).

Should you require further instructions on removing any stains, please consult ultrafabricsllc.com for more detailed information.

Cool-Even When it's Hot

Ultrafabrics Ultra Surfaces stay cool to the touch, even when exposed to sunlight. Our polyurethane resin selection helps to minimize the level of heat retention. They cool down faster than leather and vinyl—a benefit you'll really appreciate on those hot summer days.

Unsurpassed Ease of Care

- Cleans effortlessly with soap & water
- Lifts most stains with alcohol-based solutions like Fantastik® and Formula 409®
- Disinfects with a 5:1 water/bleach solution
