92  WIRE MANAGERS
Today’s working spaces require smart technology solutions.
A LAUNCH PAD.

WE SEE A TABLE.

MAY SEE SOME
MEETING AND CONFERENCE TABLES PROVIDE SPACES TO COME TOGETHER TO DISCUSS, INTERACT, AND MAXIMIZE RESULTS.

With a multitude of practical, stylish solutions, National’s table offering delivers the desired aesthetics and needed functionality for meeting spaces. This expansive offering includes veneer and laminate worksurfaces in a range of shapes, sizes, and profiles, with base designs that are just as varied.

Whether you are outfitting a large boardroom, or need furniture for a small, in-ofce meeting space, we have the right table solution for your space and your style. Our tables offer incorporated technology to accommodate today’s need for power and data to be at your fingertips. Come together to converse, discover, and deliver results.
Arrowood tables offer a range of solutions in a variety of shapes and sizes with today’s latest technology to accommodate boardroom meetings or smaller groups. Arrowood features a distinct mitered profile and clean lines allowing for seamless flow from space to space throughout your organization.

COLLABORATIVE TABLES OFFER SMART SOLUTIONS WITH DESIGN VERSATILITY.

Whether you plan to join in on a quick conversation or sit down to catch up, spaces for collaborating need to be flexible and comfortable. With National’s evolving portfolio of solutions, we offer the right furniture for the communication spectrum, from brief sync ups to in-depth conversations that require a bit of privacy.

Socializing is necessary in today’s culture. In today’s fast-paced environments, sometimes personal interactions are skipped, and opportunities are missed. Furniture that invites conversations and creates spaces for gathering is essential.

PROMOTE LEARNING AND ENCOURAGE INTERACTION WITH ADAPTABLE SOLUTIONS.

In today’s quick-paced society, learning happens everywhere. We learn by interacting, being social, observing, and collaborating. As learning and training styles evolve, furniture solutions must be versatile to accommodate trainers, learners, and guests.

Smart solutions support all aspects of this process. National’s learning and training tables are designed for flexibility. With a variety of worksurface shapes, sizes, and materials, along with mobility and flip/nest capabilities, National’s broad range of solutions deliver functionality.
Fold nesting tables are exactly what you need, when you need them. This versatile table collection easily folds and unfolds with a twist of the knob. Nest tables together for convenient storage.

**FEATURES & OPTIONS**
- Concave and rectangle tables
- Laminate tops
- Available in woodgrain, solid, and pattern laminate
- Frosty White marker board top option
- Softened or Graphite T-Mold rim profile

TODAY’S CAFÉ AND DINING SPACES ARE MULTI-USE AREAS.

Throughout the day, café and dining spaces are in constant transition. Guests come and go and tackle various activities while enjoying a cup of coffee or eating a meal. Some users enjoy working with the hustle and bustle surrounding them, so they set up workstations to knock out projects, or invite others to collaborate on group tasks.

National’s café and dining options are as varied as the users that interact with them. Whether guests are recharging and relaxing or spreading out, our portfolio of solutions offers the flexibility to find the right products to suit a variety of needs.

INCORPORATE OCCASIONAL TABLES TO ADD FUNCTIONAL APPEAL AND CREATE WELCOMING SPACES.

When guests relax in a lobby area, or visit in a multi-use space, occasional tables provide practical surfaces. National’s range of occasional tables encompasses needs from purely functional side tables to dramatic statement pieces.

National offers occasional tables in a wide variety of sizes, shapes, styles, and surface materials. Choose from mixed material tables or solid surfaces. Create a dramatic space with end, magazine, or console tables. Add power/data grommets or Universal cushions to increase functionality even further.

MAXIMIZE PRODUCTIVITY BY INCORPORATING EXHIBIT WALL RAILS AND INTRODUCING ANCILLARY STORAGE.

Exhibit™ transforms walls into vertical workspaces. With marker board, tack board, and shelf inserts, along with slat walls and work tools, Exhibit revolutionizes the way you use walls. Increase functionality and recreate any space by simply adding Exhibit.

When it comes to storage, you can never have enough. National’s media components, lectern options, and mobile cart with marker board can easily transform any space to have ultimate efficiency. National offers storage solutions for private offices, collaborative areas, conference rooms, and learning spaces.

MEDIA+STORAGE COMPONENTS

This straightforward solution offers storage and media components that coordinate with any style. Outfit a workspace, complement an existing aesthetic, and create smart storage with these components.

UNIVERSAL MEDIA WALL
- Wall mount or suspended and gang with WaveWorks® media storage towers and WaveWorks® media storage credenza
- Removable panels for cord/wire management access
- Includes flat screen mount kits
- Available in Autumn (AC), Almond (AD), Caramel (CL), Cordovan (CW), Judicial (DW), Honey (HN), Brighton (BC), Amber (MC), Mocha (MH), Natural (NM), Portobello (PB), Truffle (TF), and Sable (790) finish
- Available in woodgrain and solid laminates
- Platinum Metallic (501) accents

UNIVERSAL MEDIA SHELF
- Mounts to universal media wall or sits on credenza surface
- Cut-outs in base for wire access
- Clear glass shelf with Platinum Metallic (501) stanchions and hardwood veneer base
- Base available in Autumn (AC), Almond (AD), Caramel (CL), Cordovan (CW), Judicial (DW), Honey (HN), Brighton (BC), Amber (MC), Mocha (MH), Natural (NM), Portobello (PB), Truffle (TF), and Sable (790) finish
- Available in woodgrain and solid laminates
- Optional opaque glass doors with aluminum frame
- Aluminum frame available in Cinder (462), Platinum Metallic (501), and Satin Nickel Metallic (503)
- Standard drilled stud option for easy wire access in back of cabinet
- Includes grommets in end panels for wire access

WAVEWORKS® MEDIA STORAGE TOWERS
- Hardwood veneer and laminate
- Available in Autumn (AC), Almond (AD), Caramel (CL), Cordovan (CW), Judicial (DW), Honey (HN), Brighton (BC), Amber (MC), Mocha (MH), Natural (NM), Portobello (PB), Truffle (TF), and Sable (790) finish
- Available in woodgrain and solid laminates
- Optional opaque glass doors with aluminum frame
- Aluminum frame available in Cinder (462), Platinum Metallic (501), and Satin Nickel Metallic (503)
- Shortened shelf depth for easy wire access in back of cabinet
- Includes grommets in end panels for wire access

WAVEWORKS® MEDIA STORAGE CREDENZAS
- Hardwood veneer and laminate
- Available in Autumn (AC), Almond (AD), Caramel (CL), Cordovan (CW), Judicial (DW), Honey (HN), Brighton (BC), Amber (MC), Mocha (MH), Natural (NM), Portobello (PB), Truffle (TF), and Sable (790) finish
- Available in woodgrain and solid laminates
- Infrared Repeater allows multi-media equipment to be stored/controlled behind closed doors
- Two drawers, two locking cabinets, and adjustable shelves
- Grommets in end panels for wire access
- Cut-outs in back panel for wire access and venting

WAVEWORKS® TABLE BRIGHTON FINISH, CONCAVE RIM PROFILE, CYLINDER BASE
UNIVERSAL LECTERNs

DELUXE LECTERN
- Hardwood veneer or laminate with Platinum Metallic (501) accents
- Available in Autumn (AC), Almond (AD), Caramel (CL), Cordovan (CW), Judicial (DW), Honey (HN), Brighton (BM), Amber (MC), Mocha (MH), Natural (NM), Portobello (PB), Truffle (TF), and Sable (792) finish
- Available in woodgrain and solid laminates
- Adjustable flip writing surface, light, microphone, slide out shelf, slide out step stool, locking cabinet doors, and dual wheel casters
- Convenience outlet for power access
- Hinged back panel for wire access

BASIC LECTERN
- Adjustable flip writing surface, open cabinet, and adjustable shelf

SET-ON SURFACE LECTERN
- Use on table, Universal multi-functional cart, and Maneuver™ facilitator desk
- Adjustable flip writing surface

MOBILE LECTERN
- Available in woodgrain and solid laminates
- Black pencil ledge
- Base available in Cinder (462), Platinum Metallic (501), and Satin Nickel Metallic (503)
- Black, double wheel locking casters

MINI COASTER
- Hardwood veneer or laminate with Platinum Metallic (501) accents
- Available in Autumn (AC), Almond (AD), Caramel (CL), Cordovan (CW), Judicial (DW), Honey (HN), Brighton (BM), Amber (MC), Mocha (MH), Natural (NM), Portobello (PB), Truffle (TF), and Sable (792) finish
