Furniture with Personality®
We’re driven to create comfortable environments that evoke confidence and personal expression allowing you to work smarter and feel better.

At National Office Furniture, a refined focus on solid designs, excellent service and a truly helpful nature is our way of bringing personality to an industry often focused more on product than people. Talk to the people at National. When you do, you’ll find a genuine interest in how furniture impacts your workday. For over thirty years, we’ve been providing the kind of quality and reliability that means you only buy once. Our products are available throughout a network of nationwide Authorized National® Dealers. They will help you with everything, from space planning, design, product selection, order placement, delivery and installation. To locate a dealer in your neighborhood, visit us at www.NationalOfficeFurniture.com or contact Customer Service at 800.482.1717.
We do green because it’s the right thing to do.

We see our legacy as more than quality furniture.

The environment is our home, and we are committed to protecting and enhancing our world. We see our legacy as more than quality furniture. It is also a reverence for nature, which inspires our resolve to protect, nurture and preserve nature’s gifts. We make it a priority to support our customers by sharing our resources and knowledge while influencing and supporting your efforts to improve the environment. The answers aren’t all black and white; there are many shades of green. But we know that any challenge can be solved when people work together. In that spirit, we invite you to join us, one thoughtful step at a time.

Our Statement on Sustainability

We aim to create lasting stakeholder value through responsible growth and deep commitment to the well-being of future generations. We cherish the earth’s natural resources and hold sustainability and environmental protection as our key priorities.

As our company fulfills its responsibilities to our customers, shareholders, employees and the public, six commitments provide a framework for focusing our energies toward the greatest good:

- Product Stewardship
- Environmental Preservation
- Green Building Development
- Regulatory Compliance
- Social Accountability
- Economic Responsibility

Our Products Reflect Stewardship

We base our business on producing environmentally-friendly goods that enhance the lives of our customers and bring value to the markets we serve. Our emphasis on low-emitting products protects indoor air quality through the achievement of the Business and Institutional Furniture Manufacturer’s Association (BIFMA) Furniture Emissions Standard (FES). Our products earn the SCS Indoor Advantage™ Gold mark from SCS Global Services.

By giving customers the option of Forest Stewardship Council (FSC®) certified wood, we offer the assurance of products that are not only economically viable, but are environmentally responsible and socially beneficial.

National casegoods include a recycled material content of at least 82 percent. A wide range of 100 percent recycled polyester choices and rapidly renewable cotton choices are available for upholstered seating products while our casegoods and tables packaging contains an average of 60 percent recycled content and our seating packaging contains an average of 50 percent recycled content.

What’s more, our manufacturing facilities are registered to the ISO 14001 standard. This management tool enables us to identify and control the environmental impact of our operations, continually improve our company’s environmental performance and systematically set environmental objectives and demonstrate their achievement.
Look for one or more of these icons on pages where products offer these sustainable benefits

level® Multi-Attribute Sustainability Certification

Because of our holistic approach and long standing stewardship, we are also proud to have achieved BIFMA level® certification on our products. This certification is based on the ANSI/BIFMA e3-2008 Sustainability Standard. It includes an evaluation of specific corporate policies and guidelines and an assessment of associated company manufacturing facilities. Products must meet quantifiable milestones of environmental and social performance at every step of development. Based on environmental and social criteria set forth in the standard, a product’s entire supply chain is assessed.

Growing With Green Buildings

National facilities testify to our belief in sustainable building practices. Pursuing guidelines set by the U.S. Green Building Council (USGBC), we prioritize building practices that support the LEED® (Leadership in Energy and Environmental Design) Green Building Rating System™. Benefits to LEED certification include reductions in energy, water, and material use, leading to a reduced environmental impact making our green buildings healthier and more comfortable.

Our LEED® Certified Projects

- Research and Development Annex/Jasper, IN - LEED Certified Manufacturing/Santa Claus, IN - LEED Silver Showroom/Atlanta, GA - LEED Certification Pending Showroom/Boston, MA - LEED Certification Pending Showroom/Chicago, IL - LEED Silver Showroom/Dallas, TX - LEED Gold Corporate Showroom/Jasper, IN - LEED Gold Showroom/New York, NY - LEED Certified Showroom/Washington, D.C. - LEED Silver

Looking At A Product’s Life

At National, we realize that the environmental impact of a product throughout its entire life is important. That is why we have conducted a Life Cycle Assessment (LCA) that conforms to ISO 14040/14044 on a number of our products. LCA is a method of addressing the environmental aspects throughout a product’s life cycle from raw material acquisition through production, use, end-of-life treatment and disposal. These assessments help us establish targets for lessening the product’s environmental impact.

IntegraClear® Environmentally-Friendly UV Finish

IntegraClear® is our proprietary, water-based finish cured via ultraviolet (UV) light. The result is a finish that offers exceptional clarity and durability on products that meet or exceed strict indoor air quality requirements which create healthier workplaces and can contribute towards earning LEED® points.

Environmentally-friendly IntegraClear® performs for you and the sustainability journey and is available at no premium:

- Water-based with extremely low VOCs
- Enhances the natural beauty of wood with excellent depth and clarity
- Automated application reduces waste and provides aesthetic consistency
- Significant energy efficiency gains in curing products
- Enables National products to meet stringent requirements of the BIFMA Furniture Emission Standard (FES) and gain certification to SCS Indoor Advantage™ and level® certifications which can contribute towards LEED® points

Desks & Workstations
We’re committed to providing high quality, stylish office furniture at an exceptional value.

We’re well-known for the quality, design, comprehensiveness and price points of our casegood portfolio. With traditional, transitional and contemporary styles and nearly limitless choices in materials, rim profiles and hardware, our extensive casegood offering can accommodate any look and function you desire and provide a cohesive interior scheme across your entire organization. From government, healthcare and education facilities to finance, banking and service industries, we can fulfill all of your needs. We offer personal attention with customer focused thinking to furnish your entire organization with the image you desire while providing the kind of quality and reliability that means you only buy once.

Virtually all National® casegoods are level® 2 or 3 certified by SCS.
Epic™ Casegoods, Mocha Finish and Frosty White Laminate, Knife and Softened Rim Profiles, Level Pulls and Footed Base in Platinum Metallic
Exhibit™ Wall Rail Solution, Repetition Wicker Tack Board Inserts
Aurora® Executive Seating, Momentum Flection Limoncello

Epic is here to deliver what you want and need in the same package via a clean, modern design. Pairing stunning wood veneers and durable laminates with a refined footed base detail and other stylish accents such as graphic resins, Epic seamlessly bridges from private office into semi-private, desking, open plan, and touchdown areas. Metal and resin sliding doors and overhead metal storage cubbies offer stylish choices for your storage and organizational preferences.

Chassis
Hardwood veneer or Laminate; *Horizontal or standard grain direction available on select models

Worksurfaces
Hardwood veneer (Standard or Matte/Satin sheen), Laminate or Laminate with wood rim; Two rim profile options

Epic, combined with Exhibit, optimizes the private office.

Although it’s labeled private office, we know having an inviting feel is imperative to sharing ideas one on one or in small groups. Epic’s array of layered surfaces and sizes, as well as unique storage solutions, can accommodate the most challenging footprints to maximize every square inch. And, when Epic meets the Exhibit wall rail solution, it’s never anything short of awesome. Exhibit puts the walls to work by supporting Epic worksurfaces and hanging storage creating a lighter look and feel with convenient access to power and data. Exhibit’s wall inserts complement Epic’s ability to bring order to whatever the day throws at you.

Wall Rail Paint Colors  462 Cinder, 501 Platinum Metallic, 503 Satin Nickel Metallic
Inserts  Organizing shelves, tack board, slat wall with tack, slat wall, porcelain magnetic marker board and laminate marker board inserts
Features  Wall rails, tack boards and HPL marker board inserts can be field scribed to provide a custom fit;
WaveWorks® and Epic™ overhead storage cabinets mount onto upper wall rails, surfaces mount anywhere along lower wall rails with worksurface brackets
Power/Data  Vertical Cable Manager attaches to insert trim channels to route and disguise task light cords
Attach Exhibit™ wall rails to structural walls.

Hang Exhibit mount Epic overheads onto upper rails.

Add pedestals, worksurfaces and additional storage as desired.
A sea of choices, dynamic design, sustainable insight and unapparent affordability.

This all-inclusive casegood and tables solution truly inspires with its infinite combinations of materials, finishes, profiles and pulls. WaveWorks maximizes space by utilizing the wall itself when paired with our Exhibit™ wall rail solution. Equally inspiring are WaveWorks’ quality and sustainable attributes. WaveWorks level® 3 and SCS Indoor Advantage™ Gold certifications and is available with FSC® certified wood, all of which can contribute to earning a LEED® Green Building Rating.

How can WaveWorks become even more versatile? Match it with our Exhibit wall rail solution. It removes barriers and transforms the walls into purposeful
design elements offering a variety of solutions for all workplace, collaborative and social environments. Exhibit’s wall rail solution supports WaveWorks
worksurfaces and overhead cabinets, which can be positioned anywhere along the rail. The rail, along with tackable and marker board inserts, can be field
scribed for a custom fit without the custom price. Exhibit can be paired with WaveWorks allowing the walls to do the “heavy lifting” creating a lighter, airier
aesthetic while providing easy access to electrical and data.

**Wall Rail Paint Colors** 462 Cinder, 501 Platinum Metallic, 503 Satin Nickel Metallic

**Inserts** Organizing shelves, tack board, slat wall with tack, slat wall, porcelain magnetic marker board and laminate marker board inserts

**Features** Wall rails, tack boards and HPL marker board inserts can be field scribed to provide a custom fit;
WaveWorks® and Epic™ overhead storage cabinets mount onto upper wall rails, surfaces mount anywhere along lower wall rails with worksurface brackets

**Power/Data** Vertical Cable Manager attaches to insert trim channels to route and disguise task light cords
Attach Exhibit™ wall rails to structural walls. Hang Exhibit wire WaveWorks overheads onto upper rails. Add pedestals, worksurfaces and additional storage as desired.

Epicenter® puts everything within reach.

No matter how you define an open plan setting, thriving spaces provide the ideal balance of collaboration along with the comfort and productivity attributed to having defined personal space. With the Epicenter, seated height storage and privacy screens assist to create subtle boundaries that still foster sharing of information and ideas between team members. Layered surfaces, open support bases and a lower horizontal profile, allow natural light and its many benefits to saturate the space, further lifting team spirits. Multi-circuit Epicenter frames accommodate connectivity needs with a 5-wire/3-circuit solution delivering power to workstations.

**Features**
- Mounts to Epic™ or WaveWorks® undersurface storage and provides support for perpendicular worksurfaces; Multi-Circuit or Non-Powered options
- Slat Wall Insert: Horizontal slats support work tools providing convenient above surface storage; Available in 462 Cinder, 501 Platinum Metallic, 503 Satin Nickel Metallic
- Slat Wall with Tack Insert: Slat wall and tack board combination provides a multi-functional area; Available in 462 Cinder, 501 Platinum Metallic, 503 Satin Nickel Metallic; Dune, Repetition and Pact tack board fabrics
- Marker Board Insert: White porcelain, dry erase marker board; Magnetic; Adds a convenient, erasable writing space
- Tack Board Insert: Available in Dune (Grade A), Repetition (Grade A), Flax (Grade B), Pact (Grade B) tack board fabrics as well as COM

**Multi-Circuit Epicenter**
- Mounts to WaveWorks undersurface storage and provides support for perpendicular worksurfaces; Personalize the Epicenter with slat wall, slat with tack, marker board and tack board inserts; Epicenter frames provide a 5 wire/3 circuit, 20 amp power to a linear run of work spaces; Tack board or tack/slat inserts must be specified for access to power and data; May be connected to building’s power at the floor, wall or ceiling; Epicenter frame features a channel for routing data cables; Access to power/data may be above or below worksurface depending on height of undersurface storage the Epicenter is attached to.

**Non-Powered Epicenter**
- Mounts to Epic or WaveWorks undersurface storage and provides support for perpendicular worksurfaces; Personalize the Epicenter with slat wall, slat with tack, marker board and tack board inserts
**Upper Epicenter Inserts**

- **Slat Wall Insert**: Horizontal slats support work tools providing convenient above surface storage
- **Tack Board Insert**: Adds a convenient, tackable space above worksurfaces
- **Tack with Slat Insert**: Slat wall and tack board combination provides a multi-functional area
- **Marker Board Insert**: Adds a convenient, erasable writing space above worksurface; White porcelain, dry erase marker board; Magnetic

**Metal Finishes**:

Lustrous veneers and attentive details allow Arrowood to flow consistently throughout an organization.

Arrowood is a sleek, contemporary selection with mass appeal. Rich hardwood veneers offer luxuriance to any private office. Optional laminate tops offer durability to complement the natural beauty of wood. Available with wood or laminate tops and full or 3/4 height pedestals, this extensive collection boasts a classic mitered rim profile and projects a professional image at an extremely high value. Arrowood earns SCS Indoor Advantage™ Gold and level® 3 certifications and is available with FSC® certified wood which can contribute to LEED® points.

The exquisite styling of Barrington exemplifies your passion for excellence and affinity towards perfection.

Barrington respects your affinity for perfection with a level of craftsmanship typically found in furnishings costing much more. Book-matched walnut veneers and traditional molding are standard. But which do you choose, the beauty of a wood top or the durability of a laminate top with wood, glass or grille doors? Barrington has options to suit your impeccable taste. You’re wise to demand integrity and value. Barrington delivers both, in traditional style. Barrington earns SCS Indoor Advantage™ Gold and level® 3 certifications and is available with FSC® certified wood which can contribute to LEED® points.

Chassis: Hardwood veneer

Worksurfaces: Hardwood veneer (Standard or Matte/Satin sheen); Laminate top option; Traditional mitered rim profile

Features: Mitered base/cornice; Picture frame molding on desks; Wood, beveled glass or grille doors; Center drawer and dictation slide standard on desks; Two pull styles; Meets and/or exceeds ANSI/BIFMA X5.5-2008

Power/Data: Standard grommets; Optional cord management

Wood Finishes: IntegraClear® Environmentally-friendly UV Finish; Antimicrobial Silver Ion Protection; TF Truffle, CW Cordovan, DW Judicial, MH Mocha

Worksurface Laminates: TF Truffle, CW Cordovan, DW Judicial, MH Mocha

Captivate’s lustrous veneers and attentive details showcase pure professionalism.

Captivated by its sheer beauty, you’ll also be taken by how easily Captivate bridges traditional and transitional styles for an accommodating casegood series showcasing pure professionalism. Timeless touches such as a prominent cornice, mitered base molding, recessed modesty panels, along with optional glass doors, complement subtly, yet in a manner that will be noticed. What’s more, Captivate earns SCS Indoor Advantage™ Gold and level® 3 certifications and is available with FSC® certified wood which can contribute to LEED® points.

Luxury casegoods with a mix of fresh materials and undeniable style.

For image-sensitive atmospheres, Casbah echoes assurances of stability and confidence. A recessed façade worksurface detail isolates horizontal and vertical planes to create the perception of surfaces in suspension. Specify wood or glass doors to evoke transitional or contemporary feelings. Choices for personalized storage include wardrobe and entertainment cabinets, plus wall mount cabinets and highback organizers in two heights. A technology option permits easy integration with workflows. Casbah earns SCS Indoor Advantage™ Gold and level® 3 certifications and is available with FSC® certified wood which can contribute to LEED® points.

Functional, stylish and sustainable solutions to enhance your welcoming experience.

Make your guests feel welcome as soon as they walk through the door with furnishing solutions that complement the professionalism of your organization. At National and just like you, we believe in delivering an extraordinary experience. National provides nearly infinite choices in wood veneer, laminate and metal materials, with traditional, transitional and contemporary styles. Our stylish reception area furniture and cozy lobby and lounge seating are sure to indulge your guests and satisfy even the most refined tastes. Our products are certified to level® and for indoor air quality assuring you that our products are sustainable, produced in an environmentally and socially-friendly manner, promote healthy air quality and come from a responsible manufacturer.

Virtually all National® casegoods are level® 2 or 3 certified by SCS.
A WaveWorks welcome offers an invitation that makes people feel comfortable. From simple to elegant, WaveWorks’ variety of materials and finish combinations enables you to create the reception area your space needs for sufficient flow and desired level of interaction. With ADA compliant units, an extensive line of complementary seating, including lounge, tandem, ganging and bariatric, and Exhibit’s wall rail capabilities, WaveWorks creates the perfect welcoming committee for your organization.

**So inviting... to everyone.**

Exhibit™ Wall Rail Solution
Some see a wall. Exhibit sees a blank canvas.

Every building has walls and sometimes knowing what to do with them may be a tough decision. Say hello to Exhibit™. It removes barriers and transforms the walls into purposeful design elements offering a variety of solutions for all workplace, collaborative and social environments. Exhibit lets the walls do the “heavy lifting” creating a lighter, airier aesthetic while providing easy access to electrical and data. Exhibit’s wall rail solution supports WaveWorks® and Epic™ worksurfaces and overhead cabinets, which can be positioned anywhere along the rail. The rail, along with tackable and marker board inserts, can be field scribed for a custom fit without the custom price. Exhibit’s applications are endless and seamlessly compatible with our WaveWorks and Epic series or complements existing freestanding products.

Exhibit™ is level® 3 certified by SCS.
Enhancing spaces by evolving the way you look at walls. Exhibit does more with less.

Revitalize existing offices, common areas and stand alone furnishings with Exhibit's components for a refreshed look. Utilize lower rails with WaveWorks® or Epic™ worksurfaces and pedestals to create an economical solution. Exhibit's efficient use of wall space and various inserts, such as slat walls with work tools, marker boards and tack boards, serve as an organizational coach, brainstormer or an impromptu art gallery. No matter your budget or space, Exhibit offers the flexibility to accommodate with stylish, functional furnishings from simple to the more sophisticated tastes.

**Inserts**
- Tack board, slat wall with tack, slat wall, porcelain magnetic marker board and laminate marker board inserts

**Features**
- Organizing shelves, Wall rails, tack boards and HPL marker board inserts can be field scribed to provide a custom fit; Trim channels provide a clean aesthetic and acts as an expansion joint between tiles; WaveWorks® and Epic™ overhead storage cabinets mount onto upper wall rails, surfaces mount anywhere along lower wall rails with worksurface brackets
- Power/Data: Vertical Cable Manager attaches to insert trim channels to route and disguise task light cords

**Wall Rail Paint Colors**
- 462 Cinder, 501 Platinum Metallic, 503 Satin Nickel Metallic

**Tack Board Fabrics**
- Dune (Grade A): 8600 Drift, 8601 Windblown, 8602 Erosion, 8603 Haze, 8604 Kamelos, 8606 Pebble, 8607 Gecho, 8608 Nectar, 8610 Clear Sky, 8614 Basin, 8615 Raven, 8620 Darkness, 8621 Golden; Repetition (Grade A): 3700 Ash, 3705 Willow, 3709 Java, 3713 Stainless, 3715 Almond, 3723 Kivi, 3737 Sical, 3744 Tawny, 3753 Steel, 3766 Wicker, 3775 Grey-Green, 3782 Honeycomb, 3785 Blue Grass, 3792 Spa, 3799 Cornflower; Flax (Grade B): 22801 Bark, 22802 Daffodil, 22803 Earth, 22804 Iris, 22805 Lake, 22806 Leaf, 22807 Lily, 22808 Rain, 22809 Seed, 22810 Sunset, 22811 Tulip, 22812 Wheat; Pact (Grade B): 25401 Aloe, 25402 Azure, 25403 Calla, 25404 Coastal, 25405 Delft, 25406 Dove, 25407 Dragon, 25408 Eureka, 25409 Fern, 25410 Harbour, 25411 Lily, 25412 Lime, 25413 Midnight, 25414 Nectar, 25415 Patina, 25416 Putty, 25417 Roast, 25418 Roma, 25419 Rubine, 25420 Sketch, 25421 Tanzanite, 25422 Taupe, 25423 Toasty
From wall to wonderful. Exhibit’s philosophy is simple: let the walls do the work.
Wall Rails

- Installs onto walls and can be used to hang WaveWorks® or Epic™ overhead storage cabinets and worksurfaces
- Inserts must be used with faceplate
- Faceplate snaps onto wall rail to securely hold inserts in place
- Conceals splices and fasteners for a clean aesthetic

Wall Rails

- Installs to most structural walls, including steel or wood stud walls, masonry block walls or poured concrete walls
- Available in lengths of 72” and 144”; can be cut to size in the field
- Powder coated aluminum extrusion
- Available in 462 Cinder, 501 Platinum Metallic, and 503 Satin Nickel Metallic

Details and Options

- Vertical Cable Manager
  - Routes and disguises task light cords
  - Attaches to trim channel

- Field Scribing
  - Wall rails, tack boards and HPL marker board inserts can be field scribed to work within the building’s architecture providing a custom fit

- Overhead Cabinet Mounting
  - Specify WaveWorks® or Epic™ Exhibit mount overhead storage cabinets to hang onto upper wall rails
  - Overhead cabinets can be mounted along the wall rail where needed

Power/Data Accessories

- Wire Manager
  - Manages cables across length of worksurface
  - Available in 403 Chamois, 405 Designer White, 419 Wallaby, 425 Shadow, 440 Cloud, 461 Graphite, 462 Cinder, 478 Platinum Grey

- Convenience Outlet
  - Features five grounded electrical receptacles and one telephone jack with 14’ cord
  - Includes 10’ power cord and remote on/off power switch
# Tack Board Inserts

**Tack Board Insert**
- Mounts between upper and lower wall rails.
- Available in Dune (Grade A), Repetition (Grade A), Flax (Grade B), and Pact (Grade B) tack board fabrics as well as COM.

## Tack Board Fabrics

Chameleon™ Privacy Solution
The perfect fit for your desired level of privacy.

Our privacy solution divides space while wrapping freestanding furniture in open plan environments. If you need to maximize your office square footage while providing separate work areas, reconfigurable dividers are just what you need. Sophisticated design elements allow the movable partitions to create a workspace that complements traditional, transitional and contemporary styles. As the name suggests, Chameleon’s appearance is subtle. But its benefits stand out. National designed Chameleon to be a sophisticated, flexible privacy solution that easily adapts to your environment.

Chameleon™ is level® 2 certified by SCS.
Enhancing spaces by evolving the way you look at walls. Exhibit does more with less.

Chameleon adapts to virtually any environment by offering various sizes, materials and finish options. Designed with fewer components than conventional panel systems, it’s easy to specify, install and reconfigure making it the most simply designed privacy solution in the marketplace! Whether your office reflects natural or contemporary materials, Chameleon adapts with a palette of nine wood veneers and polycarbonate, in clear or smoke, to complement your interiors.

Chameleon™ Clear Polycarbonate Dividers with Platinum Metallic Frames, Shown with Toppers and Slat Zones
WaveWorks® Metal Casegoods, Platinum Metallic Paint and Judicial Finish
Fuel® Intensive Use Task Seating, National Twilight Ocean
**Chameleon.** Wrap casegoods or create an open environment.

**Chameleon.** Seated or standing height privacy.

**Chameleon.** Thriving in space innovation.

Filing & Storage

WaveWorks® Storage............... 94
WaveWorks® Metal Storage ....... 96
Universal Storage............... 98
Furnishing your resource area has never been easier.

Our storage components are designed to work alone, as a group, or as complements to other National products. Designed not only to enhance your storage options, but to offer solutions for small or large scale applications in a generous range of price points to satisfy any budget. National’s storage solutions keep your important resources at hand, making your office both stylish and productive.

Virtually all National® filing and storage components are level® certified by SCS.
Designed to blend with all office interiors and suited for a range of applications.

WaveWorks offers a variety of freestanding storage choices to keep any office humming with uncluttered efficiency. Get pieces designed for the way people work—whether they need frequent access or merely an occasional reference. Specify wood or laminate for beautiful consistency within your entire WaveWorks design scheme or any office environment.

Universal Storage

Universal bookcases and lateral files are the perfect means to keep your important resources at hand.

Choose fully-assembled veneer or ready-to-assemble laminate bookcases. Although the lines are slender and graceful, those adjustable shelves are sturdy enough to handle all your important resources. Our universal four drawer lateral files, with smooth gliding slides, let you organize documents front-to-back or side-to-side.

**Bookcases**
- Hardwood veneer or Laminate; Fixed and adjustable shelves; D12” W36” H84” (Five Shelf Bookcase); D12” W36” H72” (Four Shelf Bookcase); D12” W36” H60” (Three Shelf Bookcase); D12” W36” H48” (Two Shelf Bookcase); D12” W36” H30” or 36” (One Shelf Bookcase)

**Lateral Files**
- Laminate; Standard locking; Black or silver lock cores; Integrated pulls; D21” W36” H57”

Pull up a chair to confidence and collaboration.

With consistent quality, reliability and sustainability, National’s table solutions embody a full line of versatile selections and functionality whether it’s a board room, café, training area or an occasional table for that “What should we put there” spot. Enjoy attentive details, appropriate options, wall solutions, and technology conveniences that simply make sense.

Virtually all National® tables are level® certified by SCS.

Want more Tables?

Collaboration is more prevalent than ever and where people collaborate is about comfort and convenience.

Arrowood offers a range of table solutions in a variety of shapes and sizes with today’s latest technology to accommodate regular meetings or impromptu touch downs. Arrowood’s tables feature the same, distinct mitered rim and clean lines of the desks for a seamless flow from space to space throughout your organization.

Connectivity is Mio’s middle name.

In an open plan area, use Mio’s wall to create a visual distinction between work zones. One side of the Mio wall can harbor a digitally interactive work session, while the back side houses an impromptu gathering area. Nestle Mio against a wall to save space and create a meeting nook. Available at desk height or bar height, with a variety of worksurface shapes, sizes, and surface materials, mix and match Mio’s options to create the right fit for any style and application.

Keep the focus on learning and collaboration

WaveWorks training tables keep the focus where it should be...on the task at hand. Arrange and rearrange tables for custom configurations that meet the needs of your audience. A bevy of shapes, sizes, materials and bases offers the opportunity to create a space that is most conducive to learning and sharing ideas.

Tops
- Hardwood veneer, Laminate with wood rim, Laminate with PVC Rim, Thermofoil: 1 1/8” or 1 5/16” Thickness (Wood Veneer or Laminate); Standard or Matte/Satin Sheen (Wood Veneer)

Power/Data and Wire Management

Conference Table Accessories

**Power Data Oasis**
- Six power outlets, two RJ-45 Cat 6 data couplers, one RJ-11 Cat 3 coupler, one 15 pin HD port and one mini stereo port; Hardwire option available
- Clear Anodized Aluminum or Black
- $2,163-$2,524 List

**One Touch Double Pivoting Power Grommet**
- Two power outlets and three blank ports per side; Hardwire option available
- One touch doors remain open during use
- Clear Anodized Aluminum or Black
- $818-$1,185 List

**Round Grommet and Round Electrical Grommet**
- Electrical Grommet includes two power outlets and two Cat5E data ports
- Raised grommet cover is removable
- Black
- Round Grommet $63 List
- Electrical Grommet $393 List

**Panel Base Kits**
- Provides access to power/data from surface of table to floor mounted electrical
- Removable panel door for wire access to floor
WaveWorks® Training Table Accessories

Grommet
- Nylon two-piece grommet
- Black
$29 List

Racetrack Grommet
- Zinc two-piece grommet
- Platinum Metallic, Satin Nickel Metallic, Cinder
$32 List

Undersurface Wire Manager
- Manages and routes cords
- Attaches to underside of table
- Black nylon
$39 List (Set of 2)

One Touch Pivoting Power Grommet
- Two power outlets and two blank ports; or two power outlets with one blank port and two USB ports
- Hardwire option available
- Door remains open during use
- Clear Anodized Aluminum or Black
$409-$550 List

Vertical Wire Manager
- Manages and routes cords to floor mounted electrical
- Clamps to 2 1/2" diameter table leg
- Platinum Metallic, Satin Nickel Metallic, Anthracite Metallic, Cinder
$171 List

Mesh Wire Manager
- Manages and routes cords to floor mounted electrical
- Wraps around 2 1/2" diameter table leg
- Black mesh
$83 List

Mesh Modesty Panel
- Manages and routes cords
- Attaches to underside of table
- Black mesh
- Width: 42", 48", 54"
$180-$229 List

Power Center
- Fits into racetrack and channel grommets
- Extends 7 1/2" above worksurface
- Includes four power outlets; 10' power cord
- Black
$222 List

Power/Communication Center
- Fits into racetrack and channel grommets
- Extends 7 1/2" above worksurface
- Includes two power outlets and two blank voice/data ports; 10' power cord
- Black
$209 List
Media Components

Media Wall

- Ideal for conference and training settings, lounges and executive suites
- Meets all the power management requirements of modern conferencing technology
- Horizontal or standard grain direction available on select models*

Wood Finishes
IntegraClear® Environmentally-friendly UV Finish; IM Brighton, NM Natural, HM Honey, CL Caramel, 792 Sable, TF Truffle, AC Autumn, MC Amber, CW Cordovan, DW Judicial, MH Mocha

Laminates
IM Brighton, NM Natural, HN Honey 2, CL Caramel, 793 Acorn, 792 Sable, TF Truffle, AC2 Autumn 2, MC Amber, CW Cordovan, DW Judicial, MH Mocha, 791 Palisander, 405 Designer White, 417 Mojave, 418 Mouse, 419 Wallaby, 425 Shadow, 441 Graphite, 462 Cinder, 478 Platinum Grey, 488 Frosty White, 491 Designer White Linear, 492 Cinder Linear

Universal Media Wall
- Wall mount or suspend and gang with media storage towers and media storage credenza; Removable panels for cord/wire management access; Includes Flat Screen Mount Kit
- Horizontal or standard grain direction available on select models*
- Width: 48", 60", 72"
- Hardwood Veneer, Laminate; Platinum Metallic accents

$3,808-$4,262 List

Universal Media Shelf
- Mounts to Universal Media Wall or sits on credenza surface; Cut-outs in base for wire access
- Clear glass shelf with Platinum Metallic stanchions and hardwood veneer base
- Horizontal or standard grain direction available on select models*
- Width: 48", 60", 72"

$3,697 List

Captivate®
- Two drawers and two non-locking cabinets; Cut-outs in back panel for venting and wire access
See pg. 32 for series details
$4,385 List

Casbah®
- Available in two widths; Four recessed façade options; Two drawers and two locking cabinets; Cut-outs in back panel for venting and wire access
See pg. 34 for series details
$4,561-$5,504 List

Clever®
- Two drawers and two locking cabinets; Cut-outs in back panel for venting and wire access
See pg. 36 for series details
$5,050 List

Escalade®
- One drawer and one locking cabinet; Cut-outs in back panel for venting and wire access
See pg. 38 for series details
$4,234 List

Universal
- Two drawers, two non-locking cabinets; Cut-outs in back panel for venting and wire access
$3,239-$3,779 List

WaveWorks®
- Two drawers and two locking cabinets; Cut-outs in back panel for venting and wire access
See pg. 16 for series details
$3,052-$4,161 List

Visual and Marker Boards

Universal Vissual Board
- Dry erase marker board; Pegs for hanging flip chart pad; Black tack board inside each door; Set of dry erase markers/eraser included
$1,405-$2,190 List

Traditional Visual Board
- Dry erase marker board; Pegs for hanging flip chart pad; Black tack board inside each door; Set of dry erase markers/eraser included
$2,190 List

Escalade® Visual Board Cornice Top
- Mitered wood veneer cornice top fits on top of Universal Visual Board
$474-$547 List

Marker Board
- Slim profile dry erase marker board with tray
$391 List

Universal Mobile Marker Board
- High glass, white laminate marker board; 4 locking casters; Adjustable brackets to hang flip chart
- 462 Cinder, 501 Platinum Metallic, 503 Satin Nickel Metallic
$1,586 List
Lecterns

Deluxe Lectern
- Adjustable tilt writing surface, light, microphone, slide out shelf, slide out step stool, locking cabinet doors and dual wheel casters; Hardwood Veneer or Laminate with Platinum Metallic accents
- Includes Convenience Outlet for power access and hinged back panel for wire access
$4,657-$5,398 List

Basic Lectern
- Adjustable tilt writing surface, open cabinet and adjustable shelf; Hardwood Veneer or Laminate with Platinum Metallic accents
- Includes Convenience Outlet for power access and hinged back panel for wire access
$3,125-$3,409 List

Set-On Surface Lectern
- Use on table top or Universal Multi-Functional Cart
- Adjustable tilt writing surface; Hardwood Veneer or Laminate with Platinum Metallic accents
$1,648-$2,040 List

Mobile Lectern
- Laminate with black pencil ledge
- Mobile base available in Cinder, Platinum Metallic or Satin Nickel Metallic
- Locking casters
$876 List

Carts and Stands

Universal Multi-Functional Cart
- Hardwood Veneer or Laminate with Platinum Metallic surface, open shelf, locking cabinet doors and dual wheel locking casters
- Includes grommet and hinged back panel for wire access
$2,131-$2,472 List

WaveWorks® Mobile Utility Cart
- Open shelf, locking cabinet doors and dual wheel casters
- Includes grommet and hinged back panel for wire access
See pg. 16 for series details
$1,495-$1,934 List

Escalade® Mobile Utility Cart
- Open shelf, locking cabinet doors and dual wheel casters
- Optional grommet
See pg. 38 for series details
$2,128 List

WaveWorks® Mobile Computer Cart
- Sliding keyboard/mouse tray and CRT shelf and dual wheel casters
- Includes Power Director for power/data access, grommet and Mesh Cord Manager for wire access
See pg. 16 for series details

A comprehensive selection of seating that combines comfort with style.

Whether your environment is contemporary or traditional, relaxed or reserved, you’ll find affordable selections that meet your needs in task seating, executive and conference seating as well as complementary guest, stacking chairs, and stools. Make any lobby or reception area a welcoming haven by choosing any of our comfortable lounge models. When specialty application seating is in demand, National has you covered with choices for intensive use, large and tall, bariatric and tandem seating.

Virtually all National® manufactured seating is level® 2 or 3 certified by SCS.

Mix-it® Task Seating

Features

- Pneumatic Lift: Raises or lowers the seat of the chair to allow your feet to rest flat on the floor, minimizing the pressure placed under your thighs.
- Tension Control: Increases or decreases the tension of the chair's tilt to match your body weight.
- Tilt Lock: Locks the tilt of the chair in a comfortable position to support your posture.
- Back Height: Raises or lowers the backrest of the chair to a position that best supports your lumbar.
- Seatslide: Offers ergonomic comfort and support for taller users by adjusting the seat depth.
- High Performance Arms: Allows for arm pad to slide forward/backward, side to side, and pivot three positions.

Arm Options

- High performance: Adjustable wood or polyurethane; Static wood or polyurethane; Armless
- Back Options: High back or mid back; Upholstered or plastic extreme back; Custom embroidery available.
- Base/Frame Options: Hardwood, Platinum Metallic or black nylon base; Hard or soft double wheel casters.

Wood Finishes

- Catalyzed top coat resists denting, peeling and reactions to chemicals; Antimicrobial Silver Ion Protection; IM Brighton, NM Natural, HN Honey, CL Caramel, 793 Acorn, 792 Sable, TF Truffle, AC Autumn, MC Amber, CW Cordovan, DW Judicial, MH Mocha, 405 Designer White Paint, 462 Cinder Paint.

Metal Paint Colors

- 462 Cinder, 501 Platinum Metallic, Powder coat finish.

Materials sure to fit both your office and your stylish personality.

Do you dream in color? We do at National. We offer the palettes to make your vision of style come true. Our large selection of surface materials enhance our products in hues, patterns and textures that will fit both your office and your stylish personality. Whatever your office size or budget, here is a palette that empowers you to create what you imagine, in a way that no one else ever could. We provide a wide array of surface materials to give you a totally integrated furnishing solution.
An environmentally-friendly, high performance finish for you and the environment.

IntegraClear® is National’s water-based finish cured via ultraviolet (UV) light that offers exceptional clarity and durability in our wood products. This environmentally-friendly finish and its application process enables our products to meet or exceed strict indoor air quality requirements which create healthier workplaces and can contribute towards earning a LEED® Green Building Rating.

IntegraClear® is the ultimate balance of clarity, durability and sustainability. This extremely low emitting finish provides excellent wood protection to keep your casegoods and tables looking their best. For additional performance, our finish features Antimicrobial Silver Ion Protection which inhibits the growth of stain and odor causing bacteria. Curing quickly to a completely inert finish, with excellent resistance to heat and chemicals, IntegraClear® offers excellent cleanability while allowing the natural beauty of the wood details to be seen through the finish.

Wood Finishes
You deserve the ultimate performance from the products you choose.

Although it may be out of sight, out of mind, the fighting action of silver ion technology never stops working. Inhibiting the growth of bacteria, such as E. coli, Staph and other microbes that can create odors and stains, silver ion technology provides a continuous protective antimicrobial surface.

On unprotected surfaces, bacteria have the capability to double in number every 20 minutes. Mitigating the effects of this rapid escalation, the antimicrobial silver ion technology embedded into our wood finish inhibits bacterial growth by 99.94%, keeping surfaces cleaner, longer. Ideal for any space and organization, the extra level of product performance is especially suited for the high traffic, public areas in healthcare and education environments.

Note: The images in this catalog are provided as an overall reference to our surface materials. Due to the limitations of the printing process, printed colors may vary from the actual samples. Actual samples should be referenced before making your selection. Please contact National® Customer Service or an Authorized National® Dealer for surface material requests.

Wood Veneer: Each piece of natural veneer offers unique texture and grain. National carefully selects all materials used in every product ensuring a commercially acceptable color and finish.

Availability: Not all surface materials are available on all National products. Please consult National® Customer Service or an Authorized National® Dealer for availability.

**Note**  
The images in this catalog are provided as an overall reference to our surface materials. Due to the limitations of the printing process, printed colors may vary from the actual samples. Actual samples should be referenced before making your selection. Please contact National Customer Service or an Authorized National™ Dealer for surface material requests.

**Fabric Characteristics**  
Different fabrics/constructions will respond better than others to specific seating applications. Certain fabrics are more prone to relaxing over time and can demonstrate characteristics such as wrinkling, pilling, fuzzing and puddling. Some upholsteries may experience dye transfer (clothing dyes transfer to seating fabric). This does not mean that the fabric or application is deficient, but rather it is an inherent characteristic of that fabric or application and is considered normal behavior.

**Leather Characteristics**  
Leather is a natural product. Healed scars, scratches, cuts and stretch marks are natural markings and are characteristics of leather. Leather may experience dye transfer (clothing dyes transfer to the leather). This does not mean that the leather or application is deficient, but rather it is an inherent characteristic of that leather or application and is considered normal behavior.

**Green-e®**  
100% of the electricity used to make these fabrics is matched by Green-e certified renewable energy certificates; Green-e® is a registered trademark of the Center for Resource Solutions.

**Terratex®**  
Terratex is a registered trademark of True Textiles, Inc and designates fabrics that are made from 100% recycled or compostable material using increasingly sustainable manufacturing practices to produce a high quality product that is recyclable at the end of its useful life.

**SILVERGUARD® Silver Ion Technology**  
Natural germ-fighting defense to help safeguard against odor and stain causing bacteria; SILVERGUARD® is a registered trademark of Spradling Holdings, Inc.

**PERMABLOCK® Advanced Vinyl Protection**  
Protects against gems, abrasions and stains; PERMABLOCK® is a registered trademark of Spradling Holdings, Inc.

**BLOCKade™ Finish**  
Low energy, fluropolymer based surface coating applied to fabric that imparts water and oil repellent properties causing liquid spills to bead up on surface of fabric, enabling clean up before the fabric is stained by the spill. Provides similar performance characteristics to Teflon®, but is formulated specifically for commercial upholstery applications. BLOCKade™ is a registered trademark of Interface, Inc.

**Crypton® Green**  
Reduced environmental impact fabrics that are resistant to spills, stains, odor and microbial growth and include an integrated moisture barrier; Crypton® Green is a registered trademark of Crypton, Inc.

**Teflon® Finish**  
DuPont stain-resist fabric protector that provides an invisible molecular barrier around the individual fibers of fabrics causing liquid spills to bead up and roll off and allowing ground-in stains to be released during cleaning; Teflon® is a registered trademark of Dupont.

**Polyester Binder Finish**  
Fine particles of low-melt, polyester fiber applied to fabric and heated until melted, forming small "spot welds" that bind fibers together when cooled. Reduces fraying, fires and generally stabilizes the fabric.

**Repreve® Polyester**  
Is made with 100% recycled fiber; Repreve® is a registered trademark of UNIFI, Inc.

**Soil and Stain Resistant Finish**  
Surface coating applied to fabric to protect against both oil and water borne stains. Helps repel dust and dry soil extending fabric life.

**Napa Topcoat**  
Provides a scuff-resistant surface that achieves 100,000 double rubs with a waxy genuine feel of leather.

**Antimicrobial/Antibacterial/Antifungal**  
Properties are built into the vinyl/polyurethane/Fabric construction.

**Silica™**  
is a trademark of the Momentum Group.

**Silververtex®**  
is a registered trademark of Spradling Holdings, Inc.

**Ultraleather™**, **Brisa®, Brisa® Distressed and Promessa®**  
are registered trademarks of Ultrafabrics, LLC.

</table>
National has developed joint programs to offer you quality office seating with exciting lines of designer and specialty upholsteries. These programs enable you to issue just one purchase order, providing simplified ordering and the most convenient, yet complete seating choices available from a single source. National offers its seating models in Arc-Com, Stinson, Maharam, Momentum and Ultrafabrics graded-in upholstery, eliminating the time and expense involved in a COM transaction. All patterns meet ACT and BIFMA standards. Our alliance partners provide a broad range of upholsteries from which to choose. Whether you are looking for high-end, designer-inspired looks, durable high performance vinyl or pvc-free polyurethane that can take a beating, or bring punch of color that will set your seating apart, our alliance partners will have what you need.
Arc-Com Fabrics, Inc., is a leading textile supplier in the contract industry. Over the past 35 years, their reputation has been built on customer satisfaction, value added products and solutions and timely completion of projects. The Arc-Com Design Team creates, develops and introduces innovative and high performance textile products.

www.arc-com.com
800.223.5466

Stinson

For over 50 years Stinson has offered an extensive selection of seating textiles for commercial applications with styles that range from the tried and true to the truly unique.

www.cfstinson.com
800.841.6279

Maharam

New York-based Maharam offers a comprehensive collection of textiles for seating, walls, window covering, systems and healthcare applications. Maharam textiles are available to the trade and through a select group of authorized Maharam retailers.

www.maharam.com
800.645.3943

Momentum Group is a leading supplier of contract textiles. In addition to providing customized card programs, they offer unique color coordinated lines for the A&D contract market.

www.themomgroup.com
800.366.6839

Ultrafabrics

Since entering the marketplace in 1966, Ultrafabrics® has earned and maintained an unmatched reputation for quality products and are committed to using the very latest technology and innovation to create beautiful, luxurious 100% polyurethane surfaces.

Quick Delivery

National’s Quick Delivery products are available to deliver in 10 business days or less to the specified ship to address. Upon receipt of a credit approved order, the order may not be changed or cancelled. Include only Quick Delivery models on your order. Create a separate order for any products that are not included in the Quick Delivery Program. Remember that 10 business days does not include weekends or holidays. The day your order is placed with National counts as day zero.

Every effort will be made to fulfill orders regardless of quantity, however, for quantities over 10 offices, 20 chairs or 10 tables, please contact Customer Service prior to placing your order to confirm our ability to meet your needs. Occasionally, demand exceeds capacity. Then, orders are subject to availability.

Ordering Procedures

National Office Furniture products are only available through Authorized Dealers. A National Authorized Dealer will help you with everything, from space planning, design, product selection, order placement, delivery and installation.

To locate a National Authorized Dealer in your neighborhood, visit www.NationalOfficeFurniture.com or contact Customer Service at 800.482.1717.

Terms and Pricing

• Prices in this catalog are list price for shipment in the continental U.S.
• Price subject to change without prior notice
• Merchandise will be billed at prices prevailing at time of placing order
• Distribution of this price list does not itself constitute an offer to sell
• Orders can be received only from Authorized National Dealers

Fire Retardant Products

California Technical Bulletin #133 - Flammability test procedure for seating furniture for use in public occupancies - provides guidelines for a full-scale, composite burn test. To obtain TB133 certification, a specific model/upholstery combination must be subjected to and pass TB133 testing.

National provides TB133 testing services for COM (Customer’s Own Material), COL (Customer’s Own Leather), and Alliance partner upholstery orders. We require that COM, COL, and Alliance partner upholstery first be evaluated for application approval, then for TB133 approval.

Make it personal.

By choosing National, you will always receive a great looking piece of furniture; however, there are times when you just want that extra touch to make it your own. No problem! National conveniently offers custom embroidery, laser engraving, product modifications and finish matching. It’s just one more way we try to make your life easier and deliver that extraordinary experience you deserve. Learn more about our capabilities by visiting www.NationalOfficeFurniture/ProdMods.

General Information

Product Design

National reserves the right to make changes in design, specifications, and construction and to discontinue products without prior notice. Dimensions referenced within this catalog are nominal.

BIFMA and ANSI Testing

National products are designed and manufactured to meet or exceed BIFMA and American National Standards Institute (ANSI) standards. National is a member of the Business and Institutional Furniture Manufacturer’s Association (BIFMA).

This testing does not serve as a warranty or guarantee. Generally, products within this catalog meet or exceed the applicable BIFMA and ANSI standards.

Contact Information

To order literature, surface material samples, check order status, and check lead times, please contact an Authorized National Dealer, call National Customer Service or visit us online.

SIN 711-94 Design/Layout Services
SIN 711-95 Installation Services

Warranty

National warrants that each piece of furniture will be free from defects in workmanship given normal use and care for as long as you, the original customer, owns and uses the product.

Normal use is defined as the equivalent of a single shift, 40 hour work week. In the event that a product is used more than normal use, the applicable warranty period will be reduced to 12 years and items that fall under different warranty limitations, as listed below, will be reduced to one-third (ex: Wood chair frames will be 4 years instead of 12 years). National, at its option, will repair or replace with comparable product any product, part or component shipped after September 1, 2000, if the claim is eligible under the conditions of this warranty. This warranty is valid only if the product is given proper care and maintenance.

Limitations

Twelve Years: Wood Chair Frames
Ten Years: Seating Controls, Wood Veneers and Laminates
Five Years: High wear parts such as: Electrical Components, Polymer Based Components, Pneumatic Cylinders, Swivel Arm Pads, Casters, Chair Glides, Textiles, Foam, Covering Materials and Decorative Trim

Exclusions

This warranty does not apply to: Damage caused by a carrier; Normal wear and tear during the period of ownership; Appearance, durability, quality, behavior, colorfastness or any other attribute of COM (Customer's Own Materials) or any other non-standard National material (including Maharam and Momentum) specified by the customer after application to a National product; Color, grain or texture of wood, laminate and other covering materials; Non-compliance with installation and maintenance instructions; Damages or failures resulting from modifications, alterations, misuse, abuse, negligence or improper care and maintenance of our products.

As the manufacturer of your furniture, we stand behind our craftsmanship and pledge to do everything we can to resolve any problems you may have within the terms of this warranty as quickly as possible.

There are no other warranties except as expressly set forth here, either expressed or implied including any warranty of merchantability or fitness for any particular purpose. We exclude and will not pay consequential or incidental damages under this warranty.
