Proper product installation, in accordance with these instructions, is the responsibility of the installing agent. If you have any questions concerning these instructions, please call National Customer Service 800.482.1717.

1. From the underside of the unit, place the provided two flat brackets on the desired end as shown in Figure A. Attach using the provided wood screws.

2. Move the second unit into the final position and use the remaining screws to secure the second unit as shown in Figure B.

3. Attach the provided triangle cover to the front of the unit using the provided double sided tape as shown in Figure C.
