

# EXPLORE OUR PORTFOLIO WITH THE EASY-TO-USE ECO-CHECKER TOOL.

By choosing solutions from National, you are selecting products with a number of sustainable attributes. What's more, our products can contribute toward rating systems such as LEED®, Living Building Challenge™, and the WELL Building Standard®.

[NATIONALOFFICEFURNITURE.COM/ECO-CHECKER](http://NATIONALOFFICEFURNITURE.COM/ECO-CHECKER)

ecoChecker provides the information you need to see just how sustainable our products are. It also makes it easy to obtain the calculations and documents needed for submittals to LEED® and other programs.

**Product Data Found on ecoChecker:**

- Recycled Content
- Indoor Air Quality Certification
- Manufacturing Location
- GSA Contract Product
- level® Certification
- Much more
